

EXAM CONFLICTS DUE TO OBSERVANCE OF RELIGIOUS HOLY DAYS.

Students who are unable to write a final examination(s) during the regularly scheduled time slot because of a conflict with religious conviction must apply for the alternative examination(s) in the course(s) involved by the end of the normal add/drop period for the particular session. The Registrar's Office will schedule the alternative examination(s) for those students in another slot(s) within the regular examination period. Please download the appropriate form from <http://www.uwindsor.ca/registrar> and submit to the Office of the Registrar.

WRITING THREE OR MORE EXAMS ON THE SAME DAY

A student scheduled to write three invigilated final examinations in one calendar day, or three or more final examinations in consecutive time slots over a 24-hour period, may apply to have one examination rescheduled on an alternate examination day. The determination of which examination shall be rescheduled and the date of the alternate examination (may be the last possible day of the examination period) shall be made by the Registrar. Please download the appropriate form from <http://www.uwindsor.ca/registrar> and submit to the Office of the Registrar.

Note: These applications must be submitted by the end of the fourth week of classes (second week of classes for 6 week courses).

Course reserved for BEngTech Program (General Stream). First-order ordinary differential equations (ODE higher-order ODEs with constant coefficients, Cauchy-Euler equations, systems of linear ODEs, Laplace transforms, and applications to science and engineering. Application of ODE for analyzing the first, second and higher order RLC electrical circuits would be studied. Mechanicals system analysis using ODE would be considered as another application. Complex numbers and applications in Engineering - phasor concept and analyzing of the steady state solution of electrical systems and frequency response.

Section 95		3.00	LEC	MW	08:30	11:20AM	Toldo Health Education Centre 202	Rickeard, Deborah L	Aug 11 12:00pm

Section Offered as Partial Distance Education
 "This course section will be offered as a hybrid model. Students have the option to attend classes in person on campus or live online via Blackboard Collaborate, as per the class schedule. For most classes, the instructor will present simultaneously in class and through Collaborate to students who are off-campus. The off-campus (online) students will be able to participate in the live classes and ask questions through the Collaborate interface. Depending on the class activity/content, there may be some classes where students will be required to attend class in person on campus, rather than online. The instructor will provide this information at the start of the course. All tests, quizzes, mid-term and final exams must be written in person at UWindsor campus unless otherwise specified by the instructor."
